Title: Chief Executive Officer

On April 24, 2017, we were notified by Guangdong Precious Metals Exchange that it has adjusted its spot commodity trading business in light of new market development, and in particular, it will terminate the trading of all the current products on the exchange on May 6, 2017. As a result, we will no longer be able to generate revenue from our business carried out on the Guangdong Precious Metals Exchange after May 6, 2017. Our business carried out on the Guangdong Precious Metals Exchange accounted for approximately 41% of our commissions and fees in 2016 and approximately 26% of our commissions and fees in March 2017. It is unclear whether or when the Guangdong Precious Metals Exchange will introduce trading of new products in the future or, if so, what the new products will be. It also remains uncertain how the trading rules of the Guangdong Precious Metals Exchange will be changed. Our business carried out on the Shanghai Gold Exchange and Tianjin Precious Metals Exchange are not affected. At the same time, we plan to divert our resources used in our business carried out on the Guangdong Precious Metals Exchange to our other businesses.
